Pace of '64

1964—We will remember 50 mile hikes, the World's Fair, shaking through scholarship tests, the Freedom March, Start Shenanigans, the beginning of day football, surpassing our goal in the magazine drive, wearing goggles in the chemistry lab, freezing at football games and sweltering in the gym at basketball games, staying up all night to finish a research paper, the Spartans' march to DeVilbiss, apprehension over the nuclear test ban, sore bones from Spartanette practice, pep rallies that saved us from that dreaded test, the Monkey, naming the Pixie, the riotous Faculty Variety Show, our introduction to the City League, the crowning of our Student Council Queen, telling elephant jokes, meeting yearbook deadlines, playing chug-a-lug at the lunch table, putting the finishing touches on the float, looking with awe at our new band uniforms, Quarterback Sneak, going to the Hootenanny, the tragic death of President Kennedy, baccalaureate, the accreditation of our school, cramming for exams, Senior Banquet, graduation, and most of all . . . the 1964 Shield.

Jean
To the sweetest
girl in 3-4 hour
who'd just love
to sharpen
pencils for
Best of luck

Without a firm foundation, a building cannot stand; without a stable Senior Class, a high school cannot function properly. With the building of our new school, the Senior Class was offered many challenges. They accepted these challenges and handled them in a manner which has helped to advance Start. To the Seniors we, the staff, dedicate the 1964 Shield.

Seniors

Juniors achieve success with first class play, "A Date with Judy."

In Memoriam

Full strange it seems that from a life so young
The cord was cut that held it here to earth;
That in the midst of promise there was dealt
The pain of death, and freeing of the soul
From the advantage and the love of home;
And that the wealth of worldly talent should
Be frosted in the bud, and never left
To ripen and grow firm with many suns!
Though strange this is—that one with life so fraught,
Pregnant with golden promise of the years,
Should from our mortal world be taken out,
Withdrawn in all her beauty and her worth—
Yet in the midst of life is ever death,
And in that death the freeing of the soul—
Uncaged and winging ever up and out
Unto infinity, till there it finds
Eternal peace and resting place with God.

Virginia Wuerfel Slayton

Faculty

Board of Education

On January 6, 1964, Mr. David Rittenhouse was elected as president of the Toledo Board of Education. This was Mr. Rittenhouse's third year on the board. In his acceptance speech, Mr. Rittenhouse told the Board that he was assuming the post of president during a period in which school finances are adequate, the physical plant is in the best shape ever and the administration of the schools is in capable hands. Mr. J. Arch Anderson, who was appointed to the Board in August, 1962, was elected vice president. Mr. William Thomas began his first elected term this past year. One of the most important achievements of the Toledo Board of Education this past year was the passing of the school levy.

Christian R. Thomson

Christian R. Thomson, principal of Roy C. Start High School, expressed the opinion that our academic program this past year was "very fine." Twenty-five per cent of our students had all A's or B's on their grade-cards which placed them on the Honor Roll. Mr. Thomson showed an enthusiastic interest in all projects that were carried on at Start this past year. A man of varied talents, he participated in many of our activities. He displayed his acting ability in the Faculty-Parent Variety Show, attended various dances at Start and was a loyal athletic supporter. Mr. Thomson felt the most important accomplishment of the school board this past year was the passing of the school levy. This helped maintain our high degree of education. He thought the highlight of the year at Start was the graduation of our first Senior Class.

Hilton Murphy

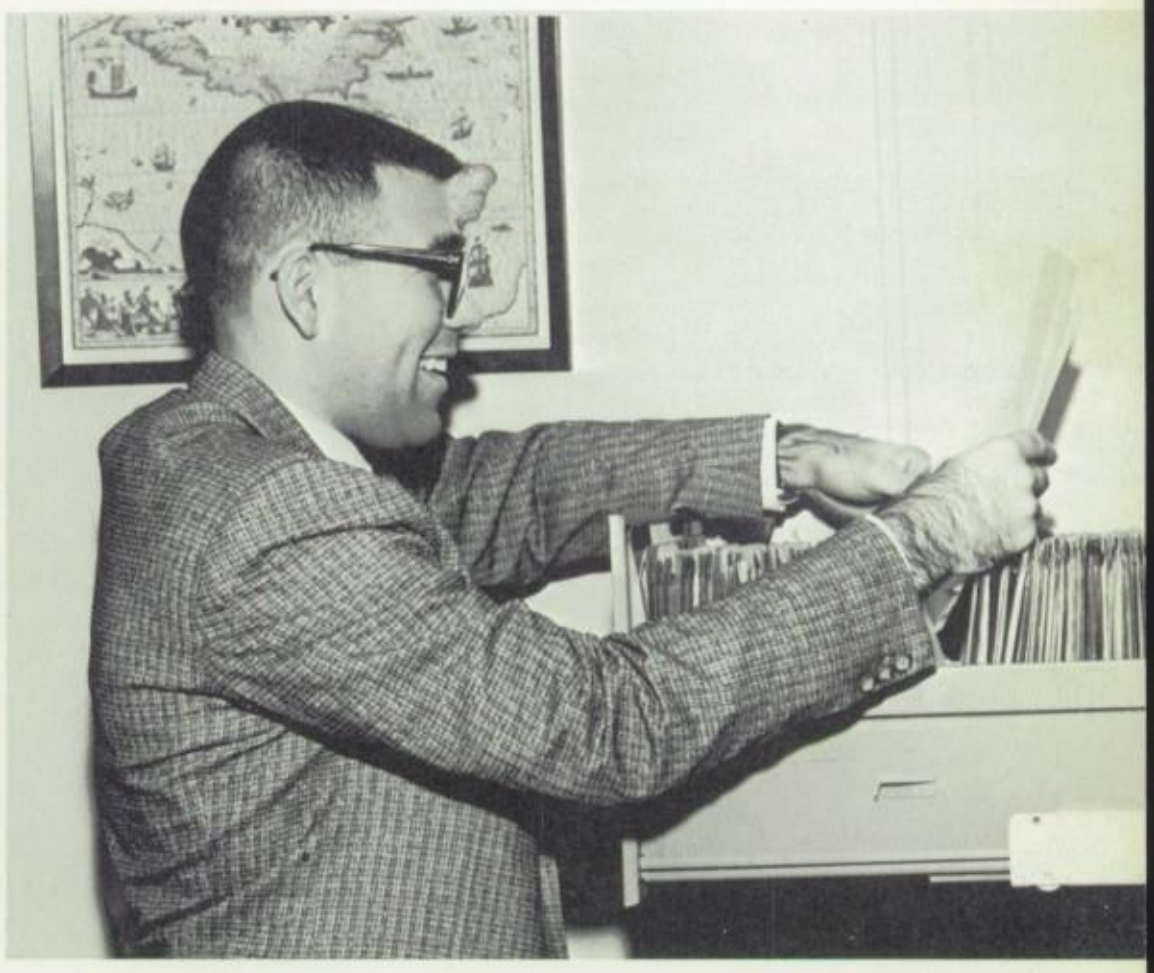
Mr. Hilton Murphy, assistant principal in charge of administration and activities, feels that our activities program at Start has progressed very well. He remarked that the Spartans' spirit remained excellent throughout the year. Mr. Murphy had a very active schedule this year. Although he was in charge of all activities, he still found time for such things as organizing a candy sale and dancing in the chorus line of the Faculty-Parent Variety Show. Mr. Murphy feels that one of the most important events this year was our football game with Central. That game had the theme, "Spirit of '63," and was preceded by a march to Page Stadium by the band, pep club, majorettes, and Spartanettes. Mr. Murphy praised the support that the parents gave our school this year.

Mary Houser

Mrs. Mary Houser, assistant principal in charge of instruction, organized our accreditation program. On November 15, 1963, we sent a report to the North Central Association. Our teachers completed a self-evaluation and an evaluation of all phases of school life. A committee of evaluators from the North Central Association then visited Start. Mrs. Houser was also in charge of all tests for scholarship purposes. These included the Every Pupil Tests, District State Scholarship Test, Ohio General Scholarship Test, Advanced Placement Tests, the American Legion Test and others. Mrs. Houser felt that two of the most important events in our school this year were the graduation of our first Senior Class and the first evening induction of our National Honor Society.

Robert Longley

Robert Longley, assistant principal in charge of guidance, said that counseling is one of the services available to help students adjust to school life. "Much of the counselor's time is spent talking with students about their educational, vocational, social, and personal problems. Good counseling should facilitate teaching by assisting teachers to know more about their students." Mr. Longley felt the graduation of our first Senior Class was the most important event at Start this year.



David Kuebbeler

David Kuebbeler, counselor, expressed the opinion that students don't understand the real reason for having counselors. The purpose of the counseling staff is to inform and guide. He said that each student should do his part to better our school and improve communications. Mr. Kuebbeler praised school spirit that developed this year. He felt the most important event this year was the Faculty-Parent Variety Show.

Margaret Kendall

Margaret Kendall, counselor, remarked about the improvement in spirit at Start this year. She felt the students were becoming more united. Mrs. Kendall, who has been a counselor since 1946, said she enjoys her work a great deal. She recommended counseling as a vocation to a certain type of person. Mrs. Kendall felt the most important event occurring at Start this year was the graduation of our first Senior Class. She said she was also interested in what the students would be doing after their graduation.

Student Life

You sing—I'll clap!

1964 Evolved a Success—Our first big project was the Hootenanny. Guitar strumming and clapping hands filled the auditorium. Spirit for football and basketball never died. The Spartans made their energy known. Quarterback Sneak marked Start's first Varsity Drag. The holidays brought a joyful atmosphere with people decorating windows and halls. Our school buzzed with activity as props were built, scenery was painted, and costumes designed for the Junior and Senior plays. Long hours and much enthusiasm preceded Start Shenannigans. Our football and Student Council queens reigned elegantly. Exams ended our year. We were a group—dynamic, studious, joyful, solemn.

Activities

The Shield

Make layouts, count characters, identify pictures, proofread. Do it once, do it twice, do it for hours, and then **re-do** it. Schedule pictures, sell books, meet deadlines, think of captions, work after school until 7:00 or 8:00. Be creative, make it interesting, strive for perfection. This made up our year. This made the **Shield.**

Galaxy Staff

The objective of the **Galaxy** is to be a medium of expression, both of and for the students and the school as a whole. On the opening day of school each student was presented with an issue of the paper. To our knowledge, we were the first school in the city to do this. In December the **Galaxy** staff presented a six page Christmas and J. F. Kennedy Memorial issue.

Student Council

The Student Council's main objectives are to promote and to encourage student participation in extra-curricular activities. The members also tried to develop leadership in students. Student Council projects have included a Christmas Cheer Drive, a Hootenanny, a Leadership workshop, a Freshman Mixer, and participation in the March of Dimes and Easter Lily Drives. Members conducted elections for Student Council Representatives, class officers, and the Student Council and Football Queens. They also sponsored the first Varsity Drag and the annual Student Council Dance. Mr. David Kuebbeler is advisor.

The objective of the Honor Society is to encourage and recognize the four cardinal virtues of the society: scholarship, leadership, service, and character. In December the first night-time induction was held in our auditorium. Dr. Buell from T.U. was the guest speaker. After the candlelight service, a reception was held in the cafeteria for the members and their parents. Start's Honor Society planned a quiz bowl with Bowsher. Our representatives were Janet Getz, Bill Beekman, Jim Orlemann, and Allen Markowicz. The Honor Society, under the direction of advisors Miss Gilbert and Miss Van Tassel and president Ron Black, met every other Wednesday in the Little Theater.

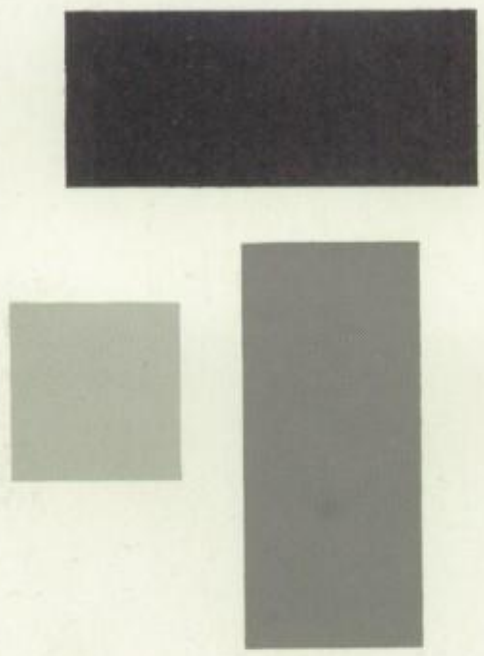
Forum Literary Club



Forum Literary Club was one of the new clubs formed this past year. The purpose of the club is to provide training through which members become better school students and better members of the community. The club also provides the boys with a better understanding of literary arts and provides wholesome social activities for its members. Under the direction of faculty advisor Mr. Richard St. John and President Dave Benfer, the club sponsored a Forum All-City Tea in Start's cafeteria. The members also sponsored an ice-skating party and held a dance with the Varsity S Club. For service projects the members sold football programs and passed out literature for the school levy.

Quill and Dagger

The Quill and Dagger Literary Society fosters in its members an appreciative interest in varied types of literature. Members of the club, under the direction of faculty advisor Mr. Phillip Buell and president Tom Wick, sponsored a book drive. All donations of boys books were sent to the Toledo Boys' Club, and novels were donated to Start High School's library. Quill and Dagger members ushered for various theatrical performances. They also attended a Toledo Opera Association Production and observed the dress rehearsal of a Toledo University play, "Death of a Salesman." The club met once each month.

The Spartans started the season by defeating Detroit Schafer 55—0 and Whitmer 20—14. Our first City League game was with Central, the defending state champions. Central's halfback ran the opening kickoff 80 yards for a touchdown. Start completely dominated the rest of the game but failed to score, and Central won 6—0. Start's defense gave up an average of 12 points per game, and only once did the opponents score more than 20 points. The interior defensive linemen primarily juniors, frequently threw opposing backs for losses and forced them to punt. The climax of our season was a 25—13 victory over Scott for our first City League win. This gave Start a 3—6 record for the season. Although we are losing our entire starting backfield through graduation almost all of the first-string linemen will be back next year.

McCloud avoids red-dogging linebacker and rolls out to the right.

Here's mud in your eye!

Two victories were posted by the Start Spartans during a season of close finishes. Although we failed to win a City League game, many of our games were well-played and were lost in the closing minutes. Our two wins were a 74—58 victory over Perrysburg and an easy 92—77 win over Ottawa Hills. Dennis Buss was third in the City League scoring race with 19.3 points per game. He shot 88% from the foul line and set a national record of 51 consecutive free throws. He also was elected to the second All-City team. Jon Kramer averaged 12.5 points per game and led the Spartans in the rebounding department. Buss and Kramer were co-captains during the season. Start drew a bye in the first round of the tournament and was slated to play the winner of the Libbey-Scott game. The Spartans played Scott in the second round. Start led the entire game, but in the last minute Scott rallied and won 42—40.

It's a race for the ball.

Peake pulls down a rebound in the Waite game.

There are many people to whom my endless thanks must go. My special appreciation to Powell Photography Studios for the fine quality of their photos; Mr. Bob Abraham for his patience and skill; Mr. Marlin "Gus" Hoverson for his advice; the American Yearbook Co.; Mr. Richard St. John for his able business management; our sponsors and donors for their support. To thank the members of my staff I really don't know where to begin. So many things come to my mind—Remember—tango lessons led by Jim and Jo, pizzas at Inky's, dashing for the radio, crabbledorfs, dunce caps, beep!, peas—porridge—hot, red heart shaped Valentine cookies, working 'til it was dark out, Irish, Tom's lost football records, pulling Karen out of the file cabinet, "What d'ya got to eat?" JoEllen's red ears, lasting friendships, our red rose, the fight for the typewriter, Sharon's numble fingers, waving to Mr. "Wrëtschko," Sandy's spasmodic appearances in the office, decorating with snowflakes, Nancy's Latin pony, Rip Van Winkle, reading Gaye's plays, mutilated lunch bags, our favorite Don Juan—Denny, rushing to meet the deadlines, worry, relief, work, fun, wonderful Miss Sally O'Callaghan—not quite a friend but much more than just an advisor. Her personality, patience, advice, endurance made a wonderful year—1964—for all of us. To all of you—Thank you.

RESEALED: FOR KITTY

Hi Jean,

A real quick note with a personality to match, even though we don't go to the same school we have had riots together. I wish you would go to CCHS next year. Then you don't go to your Grandma's, (Grandma) call me or come over to see you. I guess you suppose that I'm very nice anymore. (HA!HA!!) Oh well I'll send you a funk but I don't suppose you'll be getting tied & all this junk so I'll leave with a few last words. (I think you're using your book very well Kiddo)
